

Frontiers in Gynecological Endocrinology

Pediatric and adolescent gynecological endocrinology

.....
SUMMER SCHOOL 2015

**MONTPELLIER, FRANCE
JUNE 23-27 2015**

<http://summer2015.isgesociety.com>

The International School of Gynecological and Reproductive Endocrinology (ISGRE) fosters education and clinical application of modern gynecological endocrinology throughout the world by organizing high-level, highly focused residential courses twice a year, the Winter and the Summer Schools.

World renowned experts are invited to provide their clinical experience and their scientific update to the scholars, creating a unique environment where science and clinical applications melt to provide the definitive update in this continuously evolving field.

FORMAT OF THE SCHOOL

The teaching course, the course will be held in 4 full days, plus half day for an opening session

- Lessons from 08:00 to 16.30 for each full day
- Lessons will be of 35/40 minutes + discussion
- Lunch and Clinical cases with the expert

CLINICAL CASES WITH THE EXPERT

Each day during the lunch the participants will have the possibility to interact directly with the lecturers: they will be divided in groups of no more than 10 people and can present to the expert their own clinical cases or doubts regarding the clinical diagnosis and therapy to discuss it with him and other colleagues.

OFFICIAL LANGUAGE

All the lessons will be in English.

No simultaneous translation will be provided.
